

EMPAT PILLAR MEDIKA GILI'S ISLAND GROUP AT A GLANCE

THE LARGEST OF HEALTHCARE PROVIDERS IN GILI MATRA SINCE 2013

PT EMPAT PILLAR MEDIKA is a company engaged in the field of Health service with has several medical centers, pharmacy, Laboratory, asisst and emergency evacuation. The medical Center is located on the a group of island in the north lombok Area known as the gilis. Gili is a very famous tourism area namely Gili air, gili meno and gili trawangan which can attract foreign Tourists visiting the three dyke continues to increase

Due to the continuing increase in the number of forign tourist Visits to three dykes, we pt empat pillar medika which operates In the field of health service strives to complete adequate Health facilities on each island so that tourists get access to The best health services during their vacations.

Thus PT EMPAT PILLAR MEDIKA is committed to providing professional And excellent service health service on each island or gili. The average tourist who gets these health service has overseas Insurance. This our weakness in accomodating patients who will Use their insurance (cashless), which we have use the patient's Reimbursement system for. Therefore, to correct these deficies In servicing patients who use insurance

PT EMPAT PILLAR MEDIKA has formed the four pillar assist division And has cooperation with many insurance parthner.

We can also carry out evacuation using boats and helicopters, we Have all facilities, making it easier for patients to evacute in an Emergency without to wait fo another to provider carry out the Evacuation. Please open our website to know more about us www.empatpillarmedika.com
